

THE PERFECT GAME CHANGER

Escape 30 is the perfect all-rounder that combines protection and an open space with all necessary amenities compiled in just 30ft. The clever deck layout and pioneering solutions provide the functionality of a 40 ft experience in a compact power cruiser with cabin and toilet with full standing height, tanning space and hard-top protected kitchen and dining areas.

Escape 30 provides the modern 30ft open powerboat layout into a more compact and sporty size offering the ultimate speed and raw performance.

The open day yacht has a unique functional layout without compromising its modern layout. Escape 30 is the perfect solution to all water activities, whether you will do high-speed sailing in smooth waters or lunch on water with your family.
